Setting the Display Language / Date & Time

When using the camera for the first time after purchasing, be sure to choose a language and set the date & time before using the camera.

Setting the Display Language

1

Turn the power on, and set the camera to the Setup Menu.

2

Select [ Language].

- Press ▲ or ▼ to select [LANGUAGE] then press **SET** button to launch the submenu.

3

Select a language.

- Press ▲ or ▼ to select a language and press **SET** button to apply the setting.

4

Press the **MENU** button to close the menu.

Setting the Date & Time

1

Turn the power on, and set the camera to the Setup Menu.

2

Select [Date & Time].

- Press ▲ or ▼ to select [Date & Time] then press **SET** button to launch the submenu.

3

Set date and time.

- Press ▲ or ▼ to change the value of the cursor located. Press ⬅ or ➡ button to move the cursor between settings.

4

Apply the setting.

- After adjusting the settings, press the **OK** or the **MENU** button to apply the setting.

Caution

- Once the date, time and language have been set, changing the batteries or removing the SD card will NOT reset these settings. However, if the batteries are removed for longer than 48 hours, the Date and Time will need to be re-set.

Using the Menu

When the menu is displayed, use the 4-way navigation control and the **SET** button to move through menu selections and apply your desired settings. To close the menu anytime, press the menu button again
